

Enrichment Services Direct Care Provider

We are in need of responsible, dependable people to provide quality direct care assistance for clients served. Direct care includes toileting, hygiene, eating, and daily grooming. Direct care provider implements programming and scheduling to assist persons served with access to community, activities and enrichment experiences to promote support and encouragement for people with disabilities. We're focused on assisting the people we serve to live independently, enjoy their community. In addition, this position will help you develop specialized medical skills and knowledge, such as medication administration. Experience in human services. A CNA certification is helpful and desired, but we can and will train the right person to excel.

If you're looking for a great work environment and a rewarding career opportunity that will challenge you, provide opportunity for personal and professional growth, and encourage creativity, then come find more out about us!

All positions require a high school diploma or GED, proficiency in both written and spoken English, computer proficiency, possession of a valid Colorado driver's license, a clean criminal record and driving history. Strong written and verbal communication skills, strong customer service skills, attention to detail, ability to work independently and ability to multitask. Dependability, sound judgement and punctuality a must!
