## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Mountain Valley Developmental Services, Inc.

We have audited the accompanying financial statements of Mountain Valley Developmental Services, Inc. (the Center), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America as established by the Auditing Standards Board of the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This description of Mountain Valley Developmental Services, Inc.'s (the Center) nature of activities and summary of significant accounting policies is presented to assist in understanding the Center's financial statements.

1. *Summary of Business Activities*

Mountain Valley Developmental Services, Inc., a Colorado nonprofit corporation, was incorporated under the laws of the State of Colorado in 1975 for the purpose of providing a community center board to coordinate programs through interagency cooperation and local agencies to provide services to persons with developmental disabilities in Garfield, Eagle, Pitkin and Lake Counties. The Center's revenue comes primarily from the State of Colorado for services provided.

2. *Description of Services Provided*

The major program services or supports and functional activities directly provided or purchased by the Center are:

**Program Services or Supports**

Comprehensive (Medicaid) refers to residential services, adult day services or supports and transportation activities as specified in the eligible person's Individualized Plan (IP). Included are a number of different types of residential settings, which provide an array of training, learning, experiential and support activities provided in residential living alternatives designed to meet individual needs. Additionally, adult day services provide opportunities for individuals to experience and actively participate in valued roles in the community. These services and supports enable individuals to access and participate in typical community activities such as work, recreation, and senior citizen activities. Finally, transportation activities refer to "Home to Day Program transportation" services relevant to an individual's work schedule as specified in the IP. For these purposes, "work schedule" is defined broadly to include adult and retirement activities such as education, training, community integration and employment.

Adult Supported Living (State and Medicaid) provides individualized living services for persons who are responsible for their own living arrangements in the community.

Children's Extensive Support is a deeming waiver (only the child's income is considered in determining eligibility) intended to provide needed services and supports to eligible children under the age of eighteen years in order for the children to remain in or return to the family home. Waiver services are targeted to children having extensive support

needs, which require constant line-of-sight supervision due to significantly challenging behaviors and/or co-existing medical conditions. Available services include personal assistance, household modification, specialized medical equipment and supplies, professional services and community connection services.

Early Intervention is for children from birth through age two which offer infants and toddlers and their families services and supports to enhance child development in the areas of cognition, speech, communication, physical, motor, vision, hearing, social-emotional development, and self help skills; parent-child or family interaction; and early identification, screening and assessment services.

Family Support provides an array of supportive services to the person with a developmental disability and his/her family when the person remains within the family home, thereby preventing or delaying the need for out-of-home placement, which is unwanted by the person or the family.

Case Management is the determination of eligibility for services and supports, service and support coordination, and the monitoring of all services and supports delivered pursuant to the IP, and the evaluation of results identified in the IP.

Rural Resort Region Early Childhood Council promotes and supports a system of quality, accessibility, affordability of early childhood for families in the Rural Resort Region.

**Supporting Services**

Management and General includes those activities necessary for planning, coordination and overall direction of the organization, financial administration, general board activities and other related activities indispensable to the organization's corporate existence.

3. *Basis of Accounting*

Financial statements of the Center have been prepared on the accrual basis, whereby revenue is recorded when services are performed and expenses are recognized when incurred.

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

4. *Subsequent Events*

The Center has evaluated events and transactions occurring subsequent to the end of the fiscal year for potential recognition or disclosure through September 1, 2015, the date on which the financial statements were issued. The Center did not identify any events or transactions that would have a material impact on the financial statements.

5. *Use of Estimates*

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues, support and expenses during the reporting period. Actual results could differ from those estimates.

6. *Cash and Cash Equivalents*

For purposes of the statement of cash flows, the Center considers cash to be cash on hand and cash on deposit, subject to immediate withdrawal, and cash equivalents to be certificates of deposit with an original maturity of three months or less.

The Center maintains cash balances in financial institutions located in Glenwood Springs, Colorado, which at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

7. *Accounts Receivable*

The majority of the Center's accounts receivable are due from the State of Colorado. Accounts receivable are due according to contractual terms and are stated at the amount management expects to collect from outstanding balances. The Center believes all receivables are collectible and that no allowance for doubtful accounts is necessary. The Center writes off accounts receivable to bad debt expense after reasonable collection efforts have been made. Payments subsequently received on such receivables, if any, are recorded as other revenue.

8. *Inventories*

The cost of inventories was determined principally on a first-in, first-out basis under the lower of cost or market method of accounting.

9. *Land, Building and Equipment*

Land, building and equipment are reported at cost for purchased assets with a cost of \$5,000 or more and an estimated fair value, at date of receipt, for donated property. Depreciation is provided on the straight-line method over the following estimated useful lives:

|                            | <u>Years</u> |
|----------------------------|--------------|
| Buildings and improvements | 5–30         |
| Equipment                  | 2–10         |
| Vehicles                   | 3–6          |

10. *Accounting for Contributions*

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods, or are restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. Unconditional promises to give, which do not state a due date, are presumed to be time-restricted by the donor until received and are reported as temporarily restricted net assets.

A donor restriction expires when a stipulated time restriction ends, when an unconditional promise with an implied time restriction is collected, or when a purpose restriction is accomplished. Upon expiration, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as net assets released from restrictions. Restricted contributions received in the same year in which the restrictions are met are recorded as unrestricted revenue, rather than temporarily restricted revenue.

11. *In-kind Contributions*

Contributions of property, materials and personal services are known as in-kind contributions and are recorded at estimated fair value at the date of receipt. The amount recorded for these contributions (other than contributions of land, building and equipment) is also included as program costs to properly reflect the total cost of the particular program.

12. *Net Assets*

From time to time, the Center’s Board of Directors approves designating net assets for future use for a specific purpose.

13. *Income Taxes*

The Center is operated as a nonprofit organization exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. The Center recognizes tax liabilities when, despite the Center's belief that its tax return positions are supportable, the Center believes that certain positions may not be fully sustained upon review by tax authorities. Benefits from tax positions are measured at the largest amount of benefit that is greater than fifty percent likely of being realized upon settlement. The Center has concluded there is no tax liability or benefit required to be recorded as of June 30, 2015. The Center is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Center believes it is no longer subject to income tax examinations for the years prior to the year ended June 30, 2012.

14. *Prior Year Summarized Information*

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Center's financial statements as of and for the year ended June 30, 2014 from which the summarized information was derived.
